A letter to the parents of our students

October 2008

Dear Parents,

We are very happy when parents contact the school needing information or with concerns regarding your children. We feel that a parent's participation plays a vital role in your child's education. If you need to speak to our principal, Mr. Douglass, or one of the teachers, please call to make an appointment. Our teachers are free almost every day after 3:35 p.m. to meet with you, and Mr. Douglass is available at many times, but there are times when they have other commitments.

We do not want any of you to waste your valuable time driving to the school and find that the person you need to see is not available. A simple phone call before hand will help you with that.

Our school phone number is 219-931-4345. Please feel free to contact us so that we can be a help to you as well as your child.

## CHRISTIAN WOMANHOOD SPECTACULAR

The First Baptist Church will be hosting the Christian Womanhood Spectacular on Thursday, October 16 and Friday, October 17. All City Baptist girls who are in the 7th–12th grades will get to attend **FREE OF CHARGE**. They will be picked up and dropped off at the normal time if they ride a bus to school. Girls living in the area should report to the church by 8:30 a.m.

No student may stay for the evening sessions unless they have two items.

1. A note from you the parent giving permission for them to stay for the evening sessions.
2. The note must include information on how they will get home after the service or with whom they are staying.

If you have any question about the Christian Womanhood Spectacular, please contact the office at 219-931-4345.

**All girls should bring money for lunch or a sack lunch.**

## RIGHT NOW IS THE TIME... FOR STUDY!

Five weeks of this quarter are behind us, the first fun days of school are behind us, school camp is behind us so now is the time to really get down to work.

Your child should be bringing homework home often. We hope that you will encourage and help your child with his school work. We in the field of education find that when a parent becomes active and involved with his child's school work, the child has a better chance of excelling academically.

Each grading period is approximately nine weeks so your child still has a lot of time to study, turn in homework, and dedicate himself/herself to being an effective student. An effective student pays attention in class, writes down his assignments and due dates, and does his homework each evening.

Thank you for your help as you encourage your child to be the best student he/she possibly can be.

## DON'T FORGET...

The week of Monday, October 20 to Friday, October 24 is a school break.

Classes will resume on Monday, October 27.
