BIG NEWS FOR CITY BAPTIST!!

The monthly tuition cost for City Baptist Schools will now be $87.50 per month. Tuition will be paid in 10 monthly increments from September to June. The total tuition for one school year will be $875.00 per student. This cost does include transportation.

Dear Parents ,

Many of you have already heard the news that City Baptist is converting to a year-round school schedule. This is not just a rumor, it is true. We have done extensive research on the year-round school schedule and there are some great advantages to this schedule. First and most important is that students are exposed to a continuous learning cycle and are much more likely to retain what they are learning year after year. This gives your child a huge boost in his academic abilities as he continues learning year after year.

Other schools that have converted to a year-round school schedule show a great decrease in student burn out and high student absences. Have you ever heard these words, "Mom, I don't feel like going to school today. I'm too tired." With the year-round school schedule the students get many breaks throughout the year. They are rested and refreshed during the regular school term.

These are just a few of the many advantages to the year-round school schedule. If you have any questions about the new schedule, please call the school office. Our staff and faculty are very excited about this new schedule and the great academic possibilities it gives our students. We want to answer your questions.

We understand that this is a big change for our students as well as our school faculty, but we believe you will be very pleased with the results. We feel your children will receive a more lasting education. We feel your children will enjoy attending school more than they have in the past. We feel that you as parents will be very happy with the quality education your children will be receiving.

Again, if you have any questions, please call us. We will be happy to discuss our new year-round schedule with you.
