A letter to the parents of our students

September 2009

Dear Parents,

What a pleasure it has been working with your children this year. The overall spirit of your children is one that should make you very proud. However, it is our duty to inform you when we see things that are potentially harmful to the spirit of our school. One example is bus behavior. It is the responsibility of our drivers to transport your children to and from school safely. When children get out of their seats while the bus is moving, it will distract the driver from his number one job, driving the bus. Please encourage your children to remain seated until our driver safely drops them off at home.

Another potential problem area is classroom behavior. We have some of the finest teachers here at City Baptist; teachers that strive to give your children the best education possible. However, even the best teachers have a difficult time teaching when there are disruptions from some of the students. Please help us by reminding your children that they are in school to learn. Thank you so much for entrusting us with your most valuable possessions, your children.

Mr. Joe McCollam
Discipline Counselor

CALLING ALL PARENTS...

We at City Baptist believe that we are on a team with you, the parents in an effort to educate your child in the best possible manner. We are always happy when parents are in contact with the school office and/or the teachers regarding your child's academics or behavior. If you would like to meet with your child's teachers or have a phone call from any of the teachers, please call the school office. We will schedule a meeting or a phone call. Children always do better academically when their parents take an active roll in their education,

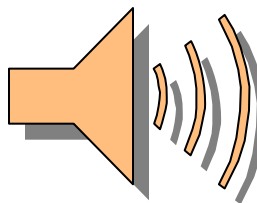

TUITION PAYMENTS

The \$87.50 tuition for each month is due on the 15th of that month. There is then a two week grace period. However, if the tuition payment is not paid by the first day of the following month, your child cannot attend classes until the tuition is paid.

If you have any question about

Let's all take a break!!!

Monday, September 28 - Friday,
October 2, is a school break.

A condemning and critical home will produce condemning and critical children that will lack confidence. Confidence in anyone's life will improve performance. Fill your homes with positive words, and acts of love and kindness.
